Curriculum Vitae – KYOMUHENDO ISIHAKA

Nationality: Ugandan

Date of Birth: May, 10, 2003

Gender: Male

Contact Phone: +256 (0) 761-715368

Alternate Phone: +256 (0) 743-102612

Email: kyomuhendoisihaka1@gmail.com

Current Physical Address: Kanyanya, kampala, Uganda

PERSONAL PROFILE STATEMENT AND SUMMARY

I am a dedicated and detail-oriented software developer with 2 years of experience in designing, implementing, and maintaining robust applications. I am proficient in a diverse range of programming languages, including Python, PHP, and Java, and I have extensive experience working with frameworks such as Django, Laravel, and Flask. My passion lies in solving complex problems and enhancing user experiences through innovative solutions. Additionally, I possess strong networking skills, allowing me to effectively integrate and optimize systems for seamless communication and performance.

I hold a Bachelor's of computer science from Lira University. Some of the web applications I have built include;
